

Playground Playtimes

A visit by John Massey to:

Oakley Vale Primary School on the 2nd November 2011

School's Comments:

A fantastic and inspiring day enjoyed by all. The encouragement and manner of which sessions were delivered were extremely positive. We have already seen an impact in how the children are playing.

Thank you 😊

Please comment on the usefulness of the report sent to the school.

The report was detailed and thorough. We are already discussing how we can ~~not~~ start implementing zones. Many of the smaller suggestions have already been implemented to positive effect.

Thank you for finding time to fill this form. Any comments given can help us improve our services to future schools we visit.

Thank you for the time and support. We look forward to the possibility of using your services in the future.
